O. Atkinson, J. W. Wellons, W. W. Staley, and C. C. Peel. No other business has claimed our attention.

Committee.

H. V. Simpson and J. D. Wilkins were appointed to fill vacancies in Committee on Home Missions.

The following was adopted:

REPORT OF COMMITTEE ON SUNDAY SCHOOLS.

Realizing that through the Sunday Schools come 85 per cent. of the church membership, we recommend the following:

First, That every church strive to have an ever-green Sunday School.

Second. That care should be taken in electing a Superintendent; that a pious and otherwise snitable person be chosen.

Third. That only church members be selected as teachers.

Fourth That all schools use the literature issued by the Christian Publishing Association of Dayton, Ohio.

Fifth, That teachers supply themselves with "Notes" upon the International Lessons

Sixth, That our people subscribe for and read the "Young People's

Worker," published by M. W. Butler and the Sunday School Beacon, edited by S. M. Smith, both of Raleigh, N. C.

W. T. WALTERS,
G. W. TICKLE,
EDWARD FRENCH,
} Committee.

The following was adopted:

RELIGIOUS LITERATURE

The home is the unit of our civilization, and its character is largely determined by what it reads. Next to the preaching of the Gospel of Christ in giving permanent religious influences to society stands the books and periodicals read by the people. We recommend:

1. That the greatest care be exercised in selecting reading matter for the home. The Bible should have the first place, and periodicals such books only as are chaste and instructive.

2. That we heartily endorse the Christian Sun, and urge all our people to subscribe for it, and seek to increase its circulation.

3. That the Book Depository established by the Southern Christian Convention be patronized by our people. It can serve our people better than any similar concern.

4. That the Christian Missionary and Herald of Gospel Liberty, published at Dayton, Ohio, be given liberal patronage.

W. S. LONG,
W. T. HERNDON,

Union, N. C., was selected as the place for holding the next session of Conference.

The following was adopted:

REPORT OF COMMITTEE ON EDUCATION.

Your committee beg to report:

1. That, on May 23, 1904, we met and examined W. T. Walters, and, finding his examination satisfactory, recommended his ordination to

the executive committee, as per instruction of the last session of this body.

2. That Bro. Edward French came before us and reported that he had attended school the past year, and served two churches. He desires to continue in school and asks for assistance. We recommend the loan of $40.00.

3. Bro. A. T. Isley came before us. We recommend that he be retained in the Biblical Class, and that he prosecute his studies so as to prepare himself for the work of the ministry as early as possible.

4 That Bro. R. P. Crmupler, a member of the church at Elon College, came before us asking admission into the Biblical Class. We recommend that he be admitted.

5. That Bros. T. J. Hayes, W. L. Wells, F. H. Johnson and D. J. Kelly failed to report and we have no recommendation in their classes, except that they be retained on our roll and that they be communicated with.

6. That several notes held by this Conference are past due, and we recommend that our Treasurer urge their collection.

7. We beg to call attention of conference to the fact that among us some are exercising ministerial functions and being recognized as ministers who are neither licensed nor ordained, nor have they any sanction of either your Committee or this Conference. We deplore this fact as foreboding evil, and we insist that it is a procedure wholly inconsistent with our church principles and polity.

8. We are gratified that Elon College has an increased patronage and very bright prospects for a successful year. We view with pleasure the increased usefulness and influence of this institution and heartily commend it as worthy of liberal support.

9. Licentiate Alfred Apple returns his credentials granted by this Conference Nov. 22, 1900, and asks that his name be dropped from the list of licentiates. We recommend the acceptance of same.

10. Rev. L. F. Johnson brings a letter of transfer from the Eastern North Carolina Conference, and we recommend that he be received as a member of this Conference.

11. Rev W T. Walters asks for papers of transfer from this Conference to the Virginia Valley Central Conference. We recommend same be granted and that the Secretary of this body forward said papers to Bro. Walters at Harrisonburg, Va.

J. O. Atkinson,
W. S. Long,
C. C Peel,
J. W. Wellons,
Committee.

Resolved, That this Conference in grateful recognition of the long and faithful services of Rev. J. W. Wellons, who has been a member of this body fifty years, present him with a gold-headed cane. The president of this Conference and W. S. Long were appointed to purchase the cane and present same to J. W. Wellons at some suitable time and place. $10.40 was raised to purchase cane.

A paper from the Christian Chur h Loan Association of N. C. was read and ordered inserted in our minutes.

GREENSBORO, N. C., Nov. 21, 1904.

NORTH CAROLINA AND VIRGINIA CHRISTIAN CONFERENCE, IN SESSION AT CONCORD CHURCH:

Fearing that I may not be with you and in interest of the Christian Church Loan Association, I am writing you regarding this fund, and we ask your co-operation and influence, in encouraging and enlarging sam .

We now have cash in hand $86.00; we have one bequest of $500.00, which gives us a valuation of $586.00.

We have incorporated under the laws of North Carolina, with Prof. E. L. Moffit, Asheboro, N. C., President; K. B. Johnson, Cardenas, N. C., Treasurer; R. S. Petty, Greensboro, N. C., Secretary.

This Association was started last year independent of Church, but the Association grants the Conferences of the State the right to name the Trustees.

The object is to lend these funds to churches, where the most good can be done, in establishing new points. This Association charges 4 per cent. interest. No salary is paid the trustees, and only incidental expenses are met out of accrued interest

The way we ask to raise this fund is first by memberships of $1.00 each, as we feel everybody can take at least one membership, and we request that everybody who is able take more. The other way is by bequests and wills. There is another way to help in this work, without giving outright, and that is, individuals who have money to loan, and who have no direct heirs to whom they wish to leave their property, give the money over to the trustees for the above-named purposes; they receiving interest as long as they live, and allowing the principal to go to the Association after their death. This will accomplish the same good as if it were given outright, and will finally become the property of the Association, without depriving the owner of the use of his money while he lives.

We hope everybody will consider these plans, and aid in

some way. As above stated we have bequests to the amount of $500.00; of course this will not be of any service until the death of the giver, but it is encouraging to know that we will receive it some day.

Respectfully,

R. S. Petty, Secretary.

FORM OF BEQUEST.

I give and bequeath to the Christian Loan Association of North Carolina, incorporated under the laws of North Carolina, the sum of————————to be paid after my death to the treasurer of said Association, whose receipt shall be sufficient discharge for the same.

Signed.....

Conference adjourned to 9:30 tomorrow.

THIRD DAY—NOVEMBER 24,

MORNING SESSION.

Conference called to order. Religious exercises conducted by Rev. A. P. Barbee. Roll called, and minutes read.

Report on Normal Training was adopted as follows :

Your Secretary of Sunday School Normal Training has organized Normal classes to the amount of 35 members, and sixty copies of Normal Studies have passed through his hands. He also edits the Normal Training Department of the "Young People's Worker."

Respectfully submitted,

Edward J French, Sec.

Report on Foreign Missions adopted as follows :

REPORT ON FOREIGN MISSIONS.

In Japan—We have seven missionaries, seven native ordained preachers, and three Bible women, one Bible training school with five scholars, seven organized churches, four stations, eighteen out-stations. Members of the church, 495; Sunday Schools, 18; scholars in Sunday schools, 1,299, with an average attendance of 594.

In Porto Rico—We have four organized churches with a membership of 54; stations, 2; out-stations, 18; six Sunday schools, with 260 scholars. With these statistics before us, showing up our work in Japan and Porto Rico, we have great reason to be encouraged. We have been informed by our mission secretary recently, that unless there is an increase of our Foreign Mission funds, that there is a possibility of having to call some of our missionaries home from the field. Therefore we recommend that our pastors endeavor to get their people to take the

Christian Missionary. That our pastors hold special mission day services with their churches. That the pastors take a special offering for the purpose of erecting a house of worship in Porto Rico.

Respectfully submitted,

P. T. Clapp,
W. S. Long
W. T. Herndon,
S. A. Holleman,
A. F. Iseley,
Committee.

S. A. Holleman, J. D. Wilkins, H. V. Simpson were appointed a committee on finance.

Rev. W. S. Long was chosen to deliver the next annual sermon.

REPORT OF COMMITTEE ON MORAL REFORM.

The Church is confronted by many evils, and it is the duty of all Christians to resist them by the use of every legitimate means.

1. We should oppose the use of intoxicating drinks in every form and in all places.

2. The desecration of the Sabbath day, by corporations, or individuals, whether for profit or pleasure.

3. Mob violence and lynchings, under all circumstances. The laws of God and man should be honored by all.

4. We oppose the lax and unscriptural divorce laws, now on our statute books, and recommend that a committee of three be appointed to memoralize the next legislature of North Carolina, and ask in the name and behalf of this Conference that all laws on this subject be repeeled except for the one cause mentioned by God's Word.

W. S. Long,
A. P. Barbee,
Committee.

The following was adopted :

REPORT OF COMMITTEE ON HOME MISSIONS.

During the year our church in Greensboro, under the pastoral charge of Rev. L. F. Johnson, has done well. The church building has been completed, and is one of the nicest houses of worship in the Southern Christian Convention. Rev. L. F. Johnson is to have charge for the ensuing year. We recommend the appropriation of all our Home Mission Funds to the support of the pastor of the Greensboro Church to be paid quarterly next year upon condition that the church raise an equal amount and apply it to the discharge of its indebtedness, the pastor to report quarterly to the chairman of this committee. We recommend that the Home Mission funds in hand be supplemented by a contribution of $200.00 or more toward the indebtedness of Greensboro church, said contribution to be made by churches, delegates, friends and ministers at once.

We find a demand for a Christian church in the northern part of Greensboro, N. C., of such importance that we feel justified in recommending that steps be taken at once to secure a lot and build a church

there. We have received a proposition from Mr. W. D. McAdoo to give us a lot on Palm street, 50x109 feet and to sell us another the same size, fronting on Magnolia stre t, 50x109 feet, for a parsonage for $75. This location is near Revolution and Proximity mills. We recommend the appropriation of $75.00 from our Church Extension Fund for the purchase of this lot. And further that a building committee be appointed to have charge of building a church on said lot as early as practicable. This committee be composed of H. C. Simpson, L. M. Clymer, Haywood Ballard, L. F. Johnson. Further, that Rev. L. F. Johnson be appointed to receive the $75.00, pay for the lot, take deed for same in behalf of the Conference and turn it over to the treasurer of this body.

Owing to the demand for more efficient accommodations for our congregation in Durham, N. C., we favor this exchange or sale of our church property there for a more eligible site and building on a more advantageous location, and that the Conference appoint a committee of three to investigate this matter before any active steps are taken.

We recommend that the action of the Southern Christian Convention in regard to Convention Missions be ratified by this Conference.

Nothing has been done looking to the establishment of a church in Reidsville, N. C., although there is some demand for such an enterprise.

We would urge that the apportionment for Home Missions upon the various churches be raised in full. We have never felt greater need of funds, nor seen brighter prospects for the establishment of our cause at points that give much promise of success.

We append to this report a financial statement of the Greensboro church.
